

Show Report

6th - 9th May 2010, Bombay Exhibition Centre

SUPPORTING ASSOCIATION

INDIA - a market overview

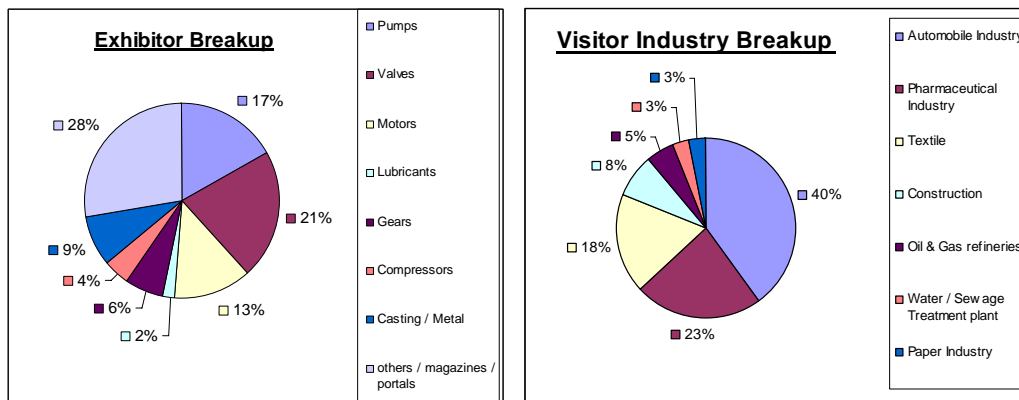

- Sound economic growth - minimal impact of global financial crunch & de-leveraging
- 8.5% GDP growth in 2009-10 and 9.5+ % growth expected in 2010-11
- The Indian gear industry is expected to grow exponentially given the demand from key user group such as the Automotive, Engineering & Machine Tool Sector.
- The Indian pump industry is set to grow at 6-7 percent over the next three years against the 4 percent of the world pump market. (source: IPMA release)
